

It is with great sadness and heavy heart to report that Andrea Jane Sleight passed April 18, 2015 from a cardiac arrest. She was my High School (Marshall HS 1973) sweetheart, my wife of 7 years and the mother of our two daughters, Jane Powers, Alisa Grove and 4 grandkids, Madi, Michael, Rylan, Powers and Alex Grove. She was a very caring and giving person. Her last final wish was to donate her organs to make a difference in someone's life. Can you imagine the call to the receiving recipient saying they have a match. This is the picture of her last act of kindness being transported to one happy recipient.

RIP Jane
