- -JV football team finishes as GCM's first undefeated gridiron squad with 8-0 record
- -Mock presidential elections forecast national outcome
- -Sue Everett, the new Miss Marshall
- -Junior Class Variety Show makes unexpected one-night stand
- -The first Mr. Ugly Contest, and a junior wins
- -Varsity basketball goes 16-5, including tournament championship win over Madison, but JV, with two junior co-captains, finishes with 19-0 record-
- "What kind of stone did you say that is,"-Rings finally arrive
- -SAT Tests drain the brain
- -GCM's first district sports title, in tennis
- -Marshall varsity diamondmen defeat Madison twice, the Warhawks' only two league losses in four years

1969-70

- -Our gift to the Class of '69, the Prom with Chile as a theme
- -Now leaders(?) of our school, we enter our final, decisive year of high school
- -Grabbing for Senior privileges, we inherit the Senior courtyard, lunchline, cutcards, and gain no particular place to go during study halls-later to cause Mike played center on this year's Varsity friction with the administration
- -Alice's Motor Inn, a Senior success
- -Senior Barbara Wood reigns as Miss Marshall
- -The winter grind is shattered by warmer weather, bringing some Senior slumping and
- Senior Skip Day which brings loss of cut card use for Carderock visitors
- -DIG, a free school week, takes place under SCA sponsorship and is generally accepted as very successful (Cont. Col. 2)

Carrying On

Excellence, achieved by hard work, participation, creativity, scholarship, and change, marks the graduating Class of '70. These graduates bequeath to Marshall's rising seniors the challenge to accept and strive to equal this excellence. This challenge is not wholly the task of the Class of '71; it is the task of every student who will attend Marshall in the forthcoming years.

Many changes have marked the growth of our educational system, some for the better and some for the worse. These changes necessitate adjustments. It is the responsibility of each individual to respond to these changes in a practical, optimistic manner. All students must work together to carry on educational processes, to continue to learn as much as can be learned about oneself and the world.

This challenge has been successfully met in the past. With effort and willingness, the students of the present, and future, can continue to uphold the Marshall tradition, to maintain this high school as an institution worthy of respect and success. The achievement of excellence is the achievement of honor. Every student is capable of earning and maintaining this distinction.

GCM Bids Farewell

"A professor can never better distinguish himself in his work than by encouraging a clever pupil, for the true discoverers are among them, as comets amongst the stars."

The end of this school year signals the departure of the Class of 1970 and also that of Mr. Clarence Drayer, assistant principal of administration at Marshall for the last 8 years. In his service here, Mr. Drayer has gained great respect for his ability to work effectively with the many different people and situations which enter the school environment. To him, we express our gratitude for his competent efforts here and best wishes for the coming years at Langley High School.

Letter to the Editor

Dear Edtior:

usual. A primary is held to determine who will be in the final elections, not who will win. The SCA Elections held on April 23, 1970 will be a source of disgrace for years to come. I sit not highly suspicious when an obviously SCA supported candidate is allowed to be declared winner without having to run in a real election. In national presidential elections are the candidates denied the privilege of running for the presidency because they lost one or several primaries? NO. What gives the Student Cooperative Association the right to deny these students their rights? Why president will be from the voting in a primary? Thank You

John Sumser (10)

The recent S.C.A. elections were held to determine the S.C.A. officers for next year.

A first election, known as the "primary elec-ion," was held. In this election, the candi-usual. A primary is held to determine who have the state of the state other candidates; in other words, over 50% of the votes. This was a clear indication that a majority of students wanted Mike Evers-meyer for President and Donna Derr for Treasurer.

In the offices of Vice-President and Activities Coordinator, none of the candidates had a clear majority of votes. Hence, a second election, by the name of "final election," was held to determine which candidates the majority of the students wanted. After the votes were tallied; it was clear that the majority of the students wanted Billy Wagy as Activities Coordinator and Steve Bassett as Vice-President.

This is a misunderstanding due to semantics, and poor communication on my part. If there are further questions, please contact me in the S.C.A. Office during homeroom.

New Cheering Squad Continues GCM Spirit

Amid much excitement and suspense 13 girls were named to next year's Varsity Cheerleading squad.

The girls were chosen by a panel of ten judges composed of faculty members and current varsity cheerleaders. Their decision was based on appearance, jumps, loudness, enthusiasm, and basic skills.

The new group includes four returning members, juniors Jacque Barnes, Patti Lamoa, Jane Stiles, and Tykie Tobin. Rising from JV are Sharon Bowman, 11, Cathy Boiles, 10, Diane Strayer, 10, and Diane Wrzesinski, 10. Completing next year's squad are Karen Cockrell, 10, Donna Lockhart, 10, Robin MacPherson, 10, Diane Martella, 10, and Brenda Serone, 10.

A total of 32 sophomores and juniors were competing for one of the positions. After nearly two and a half hours and three callbacks to give several girls another look, the selections were announced.

Following the pattern of the previous day, the 1970-71 Junior Varsity cheerleaders were also selected. A squad of ten composed

The first person from each class to tell Mr. McCarthy personally the correct answer will receive a certificate for a free pizza from Doby's Pizza Kitchen.

Charlie and Freddy took their soiled collars and cuffs, 30 pieces in all, to a Chinese laundry. When Freddy picked up his bundle a few days later, he found that it con-tained half the cuffs and a third of the collars and cost him 27 cents. Four cuffs cost the same as 5 collars. How much will Charlie be charged for the rest of the laundry? Out of 4 possible choices, the nicest or simplest is acceptable.

GCM Wins Award

The Gold Pen Award was presented to Rank & File in the 33rd Annual School Press Project, at the annual meeting of the Potomac Chapter of the Tuberculosis and Respiratory Disease Association, on May 3.

The Gold Pen Award is presented to schools carrying articles in their school papers which con-cern respiratory illnesses. These articles were selected for national competition from the State of Virginia. Marshall was the only school from this area to receive a Gold Pen Award.

The winning article, "Emphysema—The Killer," written by Missy Hughes, 11, appeared in the January 1970 issue of Rank & File. This is the second consecutive year that Marshall has received a Gold Pen Award.

Gary Calore, 11, has been selected to attend Boys' State during the week of June 7-13 at the College of William and Mary in Williamsburg, Virginia. Roy Porter, 11, will serve as an alternate.

Boys' State is sponsored by the American Legion. The program is designed to inspire and educate youths in the highest ideals and principles of American government.

During the week, political parties are organized, elections are held, all branches of government are established, and the functions of government are activated. Participation by the "citizens" in these processes and procedures is the keynote of the program.

A graduation ceremony climaxes all activities. Upon recommendation of his counselor, each boy will receive a certificate of attendance, a Boys' State Lapel Pin, and such awards as are won in the different contests.

recognition for outstanding projects in the third annual Industrial Arts Fair on May 9.

In the Electronics Division first place was awarded to Steve Fris for his photorythmicon; Ronald Mele won second place with his power supply; and Peter Cowett took third place with his electric eye burglar place with his electric eye burglar alarm. Steve Fris' project also cap-tured the award for best design. Honorable mention awards went to Mark Cloth for his "Jacob's Ladder" traveling arc, to David Petreye for his model airplane transmitter and receiver, and to David Kurke for his Wheatstone Bridge. A special award for outstanding achievement was presented to Lance Palmer and David Petreye for the stopping-relay electronics sign that they designed and built.

Mr. Lively's Industrial Arts Lab sponsored four divisions. In In-dustrial Arts I (woodworking), Tom Haller was awarded first place and received the design award for his lamp table. Second place went to Gary Smerdzinski for his table lamp. The Industrial Arts II division was judged in the areas of metal, wood, and crafts. In the wood area, the first place and design awards went to Dave Hoover for his Early American wall shelves. Dave also took the third place award with his Swedish lamp. Second place went to Ernie Nygren for his canoe paddle.

In the metals area, the first place and design awards went to Ernie Nygren for his stained glass hang-ing lamp. The second and third place awards went to Dan T. Ford ling lamp. The second and third ported by the student body. Listen place awards went to Dan T. Ford for his hammer and plumb bob, respectively. Dan was also awarded your environment and yourself.

Fifteen students received special first prize in the crafts division for constanding projects the third annual Industrial Arts air on May 9.

Students Clean-Up School, Community

An Environmental Action group has been organized by several Mar-shall students in an effort to directly involve students in the ecological action movement.

The organization grew out of Earth Day, April 22, when students were explicitly told of the problems of over-population and air, water, and soil pollution which pose immediate threats to man's survival, Harry Dailey, 12, the leader of the group, stated as the purpose of the group, "To make students more aware of environmental problems and to sponsor practical projects which all students can easily take part in."

The Environmental Action group sponsored a Marshall clean-up day on May 8. Students picked up the trash and broken glass which was strewn on the school parking lots and grounds. Future plans include making a list of household products which should be boycotted and collecting empty tin cans. For each ton of tin cans, approximately 500,000, which is turned in to a canning company, the Environ-mental Action group will receive \$200. The money will be donated to

charity. These projects can be successful only if they are enthusiastically sup-

"Good afternoon, ladies and gentlemen. This is Chris Shenkill reporting to you from exotic Ulan Bator, capital of Outer Mongolia, the site for the twenty-first annual International Sex Games. Here with me to report all the action is former Olympic necking champion and three time U.S. titleist Cary Grant. "Cary, as an expert in this field,

what do you think the U.S. chances are in this 'meet'?"

Well, Chris, the team is looking really good. Joe Namath figures to score again in the sexathalon, and Leggy Fleming is shaping up as a skating event. Unfortunately, our star contender in the Hunt, Pass, and Kiss event has come down with a bad case of mono, which is the kiss of death for our ambition to retain our high team rating. Further-more, our second best man in that event was given a one-year suspension after giving the referee some lip in a recent match. Although we can expect some good individual performances, I think we'll have to kiss our team championship good-

Perhaps the greatest surprise came in the pairs Figure Skating contest when Hugh Figure Skating contest when Hugh Hefner, the top-seeded male skater, and Racquel Welch, the top girl skater, were a bust together. They had a real vigorous program, with stirring music and a lot of fast action, but they just couldn't make it as a team and did not score well. "There is one field event in pro-

gress now, the broad jump. The rules for this event are simple: to win, a contestant must merely jump over twenty voluptuous women lying inticingly in his path. Most contestants do not have the willpower to finish and win a eunich experience. Most contenders go overboard and are scratched, before they can tickle some girl's fancy. Often, however, by the third or fourth heat there is usually one man who is too tired to respond to the obstacles but strong enough to jump over them. We have not yet reached that stage in today's competition, but when we do, our cameras will be on top of the action. Now back to Chris Shenkill. "Well, that's it from scenic Ulan

lass of '71 Presents 'Age of Aquarius

Upon entering the underclass courtyard and passing through the star covered halls, one experi-enced the fantasy world of the Zodiac. Large murals depicting characters of the horoscope inter-spersed with explanations lined opposite walls. Those signs not present in picture form were located around the room as statues. Bright rainbows, mountain ranges, and surrises decorated the remaining walls. Styrofoam trees hung gracefully over round benches and fountains. Green and yellow streamers completely con-cealed the ceiling. Special effects were obtained by the use of various colord lights, spotlights, and black lights.

Varsity Softball Team 8-6, and fell to M first half attack. Takes District Crown

After finishing first in the district, the Girls' Varsity Softball record for the '70 season totaled 9-2.

The squad's third game in which of overtime. At the finish of regular play, the score showed a 2-2 tie. A run on an error by captain Celie Price, 12, brought Marshall ahead. Several more close matches followed with a 7-10 loss to Oakton, a 9-8 triumph over McLean, and a 16-15 squeeze over Langley.

The female Statesmen next over-Other outcomes include a close 9-8 success against Oakton, being defeated 2-6 by Madison, and attaining a 14-4 victory over Foxcroft, a private school in the area.

Rounding off their schedule was the girls' most important game of the season versus McLean. Only Marshall and McLean were in con-Madison was encountered, ended tention for the district crown and with a 3-2 victory after two innings this game would decide the victor. At the termination of the second inning the score was tied 6-6. McLean made no further scoring, while Marshall added four runs to win 10-6.

When commenting upon the team and its season, Coach Faye Wagoner stated, "The two captains, Peggy Moore and Celie Price, lead the came Herndon with a 29-5 tally. team very well and were responsible for much of the spirit on the team. But all the girls were eager to learn and eager to win. It was this extra push that caused us to have a winning season."

Diamondmen Place Second; IV Finishes 11-3, Best Ever

Marshall's Varsity baseball team opposing batters who walked also finished this season with a disap-pointing 8-10 overall record, but placed second in the district with 8 wins and 7 losses.

A 10-9 comeback win over Mc-Lean in the first night game and back-to-back victories over Oakton fine relief work and ended with a helped the Statesmen clinch second place behind Madison, which

finished with a record of 15-3.

A one-sided hitting attack provided for one-third of the 53 RBI on the team. The one man team was senior first baseman Gary Rufner. He ended his second varsity season batting .411, Marshall's best. Four other categories were claimed by his bat. He lead in runs batted in with 18, hits with 23, including 8 doubles and 3 home runs. He was our most consistent player and surely a choice for all district honors.

Another senior bidding for district honors is shortstop Steve Miller, who collected 20 hits and batted .339. More outstanding was his smooth fielding job. In 18 games he committed only 2 errors.

Third leading hitter was junior outfielder Blane Brady. He knocked in 8 runs and batted .320 for the season. With one more year to go his future looks bright.

Losing 3 out of the first 4 contests the junior appleknockers bounced back to win their next 10 straight. Their final record was 11-3 which earned them a first place tie with Madison, also at 11-3.

Junior Varsity also had a one man offensive threat, sophomore Doug Naquin. Playing every inning, Doug collected 20 hits, knocked in 16 runs and led the team with a .401 average.

sons largely due to vast improvement in the Great Falls District were some of the high points in another mediocre year of sports at Marshall during 1969-70. Here are some of the highlights of this year's sports activities.

A "disappointing" 2-8 final gridiron record included many narrow losses and an exciting 38-22 Homecoming win over Herndon. A young Statesman squad was edged by Falls Church 15-8 on a fake punt play, lost to Edison 28-24 in the last minute, was narrowly beaten by Langley 12-8, handed Fairfax a 14-8 victory in the final minutes, lost to district champion McLean 8-6, and fell to Madison 13-12 after an inspiring

Graduating are two-year starters Paul Perlik, twice leading ground-gainer, Danny Naleppa, twice all-district linebacker, defensive tackle Scott Reynolds, who will play for UNC on a scholarship, Jimmy O'Donnell, who often played both ways, Vince Carbaugh, quarterback and all-district defensive back, Mike Lowe, tight end and leading receiver, and 1-year quarterback Pat McGettigan, leading passer.

Statesmen to watch for next Fall include Dinky Jones, all-district back, leading scorer and broken field threat to surpass his 13 touchdowns of this year, Danny Little, already named all-district offensive guard and tackle the last two seasons, defensive end Bob Haller, offensive end Charlie Jones, defensive back Bob Jones, and offensive linemen Jim Murray and Tom Mills.

Basketball

Frustrating may be the only way to describe the 1969-70 Varsity b-ball season. Its sensational 17-3 record was GCM's most successful Varsity endeavor this year and set a new all time high, but Oakton managed a 9-1 regular season district tally for the title and beat Marshall for the tournament championship. The Cougars went on to lose, by only two points, both of their regional contests.

Our cagers' most impressive victory came over Falls Church for the inter-city trophy. A most spirited home crowd helped the Statesman team show a little "animal instinct" in a torrid second half and thrash the Jaguars, who were 10-1 going into the game, 66-44. Two big victories over '69 champ Madison and an overtime success over Oakton highlighted another good defensive season, the stingiest in the entire Metropolitan area.

Graduating are Vince Carbaugh, captain, twice second team all-district guard and twice rated second best defensive player on the team, 6'-8" center Mike Clark, leading rebounder and shot blocker and second leading scorer, 6'-5" Scott Reynolds, tough starter or sixth man and defensive ace against big opponents and Larry Deskins, a starter for several games.

Prospects for next season are for potentially GCM's best team ever, with more tough defense, great ball handling and shooting and excellent speed. Back to anchor the squad will be Dinky Jones, rated all-district forward, twice named best defensive player, and leading scorer, Marshall football program.

A record-setting basketball team, a state wres- brother Charlie Jones, another defensive standtling champion, and several disappointing sea- out and good rebounder who may jump center, and Tony Pearson, our Mr. Outside.

> Competition will be tougher all around, Mc-Lean, Herndon, and Madison will also have three starters back, Langley 4, but Oakton will be the team to beat, as it could go 6'-8" all across the front line.

Wrestling

Varsity Wrestling's 4-7-1 final record included only one district win but was headlined by Marshall's third state champion, senior Danny Naleppa in the 175 lb. weight class. Naleppa swept to a 10-0 record in tournament action after suffering only one season defeat.

Wins over Hammond, Lee, Fort Hunt, and Herndon and a tie against Fairfax were largely products of our strength in the upper classes including seniors Naleppa, Jimmy O'Donnell (once district champion, once second in district), Bob Shuford and junior Danny Little, also a district titlist. Against Lee, these four teamed up for four consecutive pins in the last four matches to come from behind and win, 26-24.

Also lost through graduation are Russ Brock, Larry Bish, and John Serabian.

A good, 8-2 tennis season was marred by two losses to McLean as Marshall's only district championship team unsuccessfully tried to defend its title. Two big victories over Langley, the only team to beat McLean were bright spots in another excellent season.

Lost through graduation will be Rick Johnson, twice named Most Valuable Player with a 17-1 two-year record, three-year starter Craig Updegrove 18-6, and Jim Sibley, at 8-2

Next season looks strong, with 3-year veteran Bruce Dingleberry, surprise No. 1 man Steve Draper, and Steve Heilborn back to try to retain their high ladder spots and Don Spiece, Glen Balducci, Terry Farmer, Bob Updegrove, Jeff Arnold, and Mike Liotta also in strong contention.

Track

Another winless track season included some good individual performances and the start of a revamping of the track program. Leading scorers are Al Decot with 90 points, Dan Little, Bobby Leake, and senior Kim Greene. Greene, Charlie Scott, Jim Forbush, and Joe Maley will graduate from a mainly underclass squad. Decot set a new school high jump record at 6'0" as did Leake on the two-mile with a time of 9:41.5.

Spring Sports Awards

At the Spring Sports Awards ceremony, Gary Rufner was named the most valuable baseball player, Alan Decot was awarded the MVP in track, Rick Johnson in tennis, and Rick Zabel in golf. Girls Basketball awards were given to Sue Smith and Celie Price, with softball honors going to Peggy Moore and Celie Price. Danny Naleppa was named the best boy athlete of Marshall and Celie Price the best girl athlete. For the second straight year, the GCM cheerleaders won the "creativity" award from Coca-Cola for their achievement in publishing of the
